)	<u>ORDER</u>
Defendants.)	

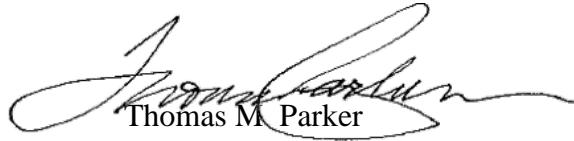

On May 15, 2019, Receiver Mark Dottore (“the receiver”) filed a motion to approve second settlement agreement. [ECF Doc. 331](#). The response/objection filed by Save the Art Institute of Las Vegas Limited ([ECF Doc. 346](#)) is not well taken and is overruled. Because the receiver intends to terminate its license with Adobe, the limited objection filed by Journeyed.com, Inc. ([ECF Doc. 347](#)) is moot. No other objections were filed in response to the receiver’s motion to approve second settlement agreement. Moreover, the court finds the Second Settlement Agreement to have been negotiated at arms-length by parties represented by experienced legal counsel who have taken into consideration the legal rights, responsibilities and best interests of their clients and/or the entities for whom they are responsible.

Upon due consideration of the second settlement agreement and related filings, the court hereby GRANTS the receiver’s motion to approve second settlement agreement. [ECF Doc. 331](#).

IT IS SO ORDERED.
